No.	Deficiency details (where + what + condition)	Note - Deficiencies may be listed on following pages.	Action Code ¹	Method to clear ²	Date cleared by MSI

Follow up required

Inspection following an incident or marine safety concern

National Law notice(s) issued as a result of this inspection

NOTICE details
(e.g., notice issued, reference number, etc.)

IMPORTANT! Operating a vessel with deficiencies that are not rectified may mean that the vessel or its operations is unsafe, which may constitute a breach of General Safety Duties under the Marine Safety (Domestic Commercial Vessel) National Law Act 2012 (National Law). A National Law notice may be issued as a result of this inspection. It is an offence under National Law not to comply with notice requirements.
